

# CALLING ALL MENTORS

## ARE YOU:

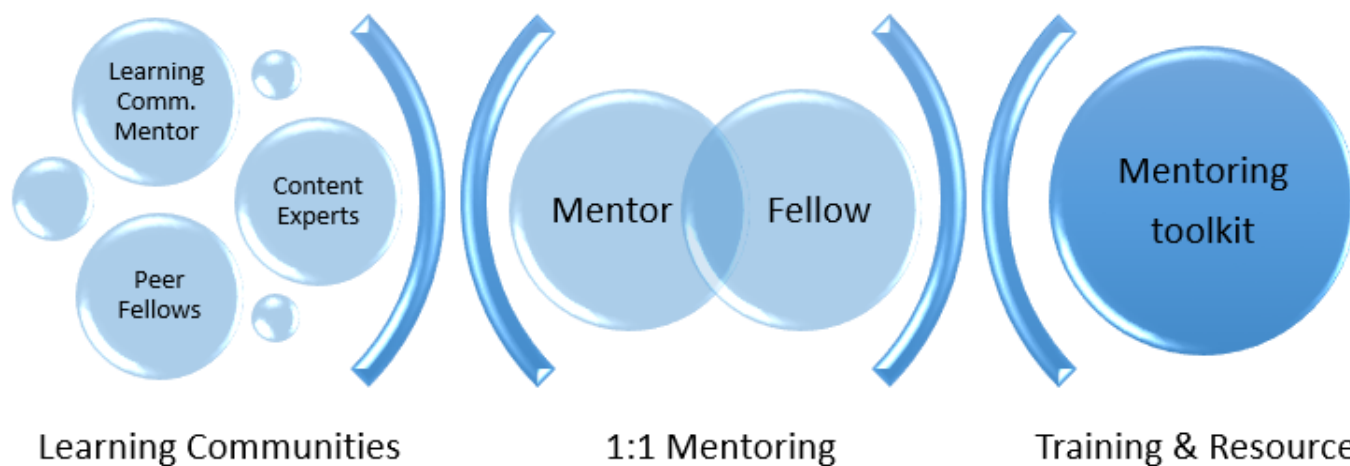

- A mid to senior level faculty member with a strong research track record?
- Looking to enhance your mentoring and communication skills via formal training and an online toolkit?
- Eager to expand your network and meet new colleagues across the Georgia CTSA?
- Someone who enjoys supporting the development of junior researchers?

## THEN WE WANT YOU!

The Georgia Clinical & Translational Science Alliance

### **TEAMS (Translational Education and Mentoring for Science) Program**

is seeking learning community mentors, one-on-one mentors and content experts to participate in the inaugural 2019-2020 academic year program.

Learn more about each of the roles, responsibilities, and time commitment at [georgiactsa.org/discovery/mentoring](http://georgiactsa.org/discovery/mentoring). Faculty interested in serving as a mentor or content expert should complete an online interest form by May 31, 2019.
