- Featured talks and a dynamic keynote speaker

CALL FOR ABSTRACTS

The goal of the Georgia Clinical & Translational Science Conference is to bring together researchers from across the state to present the best new clinical and translational research and build collaborative relationships.

Clinical and/or translational researchers working in the state of Georgia are invited to submit an abstract

Please register for the conference prior to abstract submission
[Conference Registration](#)

Registration is \$50 per person (\$40 for trainees). Fee includes attendance at scientific sessions and all breaks and meals.

Please use the online
[Abstract Submission Form](#)

ABSTRACT SUBMISSION DEADLINE: December 3, 2018

After the submission deadline, all completed and eligible abstracts will be made available to the conference abstract reviewers for scoring. Final decisions will be made by the conference planning committee in mid-January. You will learn in mid-January if your abstract has been accepted and if you were chosen for an oral or poster presentation.
