CALL FOR ABSTRACTS

Join Georgia Clinical & Translational Science Alliance colleagues at this 5th annual quality symposium and networking opportunity.

Abstracts will be chosen for oral and poster presentations at the event.

Clinical and/or translational researchers within Health Sciences are invited to submit an abstract.

ABSTRACT SUBMISSION DEADLINE: March 16, 2018

After the submission deadline, all completed and eligible abstracts will be made available to the conference abstract reviewers for scoring. Final decisions will be made by the conference planning committee in April. You will learn in mid-April if your abstract has been accepted and if you were chosen for an oral or poster presentation.
