

2020 CPCT Pilot Grant Request for Applications

The Center for Pediatric Cellular Therapies (CPCT) is accepting Late Stage Preclinical/IND Enabling Research and Clinical Trial Launch Grant applications.

DUE DATE:
July 1, 2020
at 6:00 PM

Eligibility

- The principal investigator (PI) must have a faculty appointment in the Emory Department of Pediatrics. Primary, secondary, and adjunct appointments meet this criterion.
- Staff scientists and fellows may not apply as sole PI; however, they may apply as co-PI on multi-PI applications.
