

Speed Networking on Sepsis

Learn. Connect. Collaborate.

Join faculty from across the Georgia CTS for an energetic and dynamic evening of networking at our version of The Gong Show!

Emory School of Medicine Dean Vikas Sukhatme will emcee this event as attendees present their research in three minutes or less with the goal of seeking new collaborators. But beware, if you exceed your time, be prepared to be gonged off the stage!

Presenter slots are limited, so register early. Non-presenters are welcome to attend to learn about their colleagues' work and find new collaborators.
