

Join researchers and clinicians from across the Georgia CTSA for a session on **COVID-19 and Health Equity**.

Blue Sky Groups are unstructured meetings that provide a unique opportunity for attendees to drive the agenda as well as utilize the session as a catalyst for future collaborations and research opportunities.

Discussion topics may include, but not limited to:

- Impact of COVID-19 on health disparities and possible long term consequences
- Ways to mitigate COVID- 19 health disparities
- Ideas for cross-institutional collaborative research projects in this space

Share your experience, learn from others, enjoy opportunities for interdisciplinary networking and find potential collaborators!
