

COVID-19 DONATION DRIVE

Collecting items to create PPE Care Kits for homeless & under-served populations. These kits will be donated to clinics & shelters that service these populations.

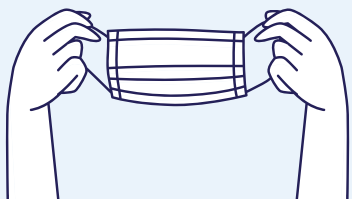

*In collaboration with Healthcare Human Factors Lab at Emory University Healthcare

Items we need:

- Hand sanitizers (travel size)
- Masks (cloth/disposables)
- Gloves
- Soap
- Tissue (travel size packs)
- Disinfecting wipes (travel size)
- Thermometers
- First Aid Kits (travel size)
- Gallon sized zip-lock bags (for packaging all items)

Any additional care/ppe items you see fit. Nothing is too small to donate!!

Drop Off Locations:

Emory University Hospital Ground Floor (Ashbury Circle Entrance by Asbury Cafe)

Questions or not on campus and need alternate drop off locations?
