

NANOFANS FORUM

"Bridging Biology & Nanotechnology"

Point-of-Care Technology in Healthcare

Webinars will be held 11 AM - 12:00 PM EDT

October 1 - "Motion & Force-based Point of Care Technologies"

[Prof. David Myers \(Emory - Biomedical Engineering\)](#)

October 8 - "Pediatric & Point of Care Technology at Georgia Tech"

[Ms. Leanne West \(GT - Pediatric Technology Center\)](#)

October 15 - "Integrated Nanoplasmonic Biosensors for Protein Biomarkers"

[Prof. Jianjun Wei \(Joint School of Nanoscience & Nanoengineering\)](#)

October 22 - "The ResonanceDx Bulk Acoustic Resonance Sensing Platform"

[Prof. Carlos Moreno \(Emory School of Medicine\)](#)

October 29 - "Ferrohydrodynamic isolation of circulating tumor cells and exosomes"

[Prof. Leidong Mao \(University of Georgia\)](#)
