

SOUTHEAST REGIONAL CLINICAL & TRANSLATIONAL SCIENCE CONFERENCE

March 4 – 5, 2021

The 2021 Southeast Regional Clinical & Translational Science Conference is going virtual!
Join us as we bring together researchers from across the region to present the best new clinical and translational research and build collaborative partnerships.

DAY ONE | 8:30 a.m. – 1:00 p.m.

DAY TWO | 8:30 a.m. – 1:00 p.m.

- Featured talks
- Poster sessions showcasing clinical and translational science advances across the region
- Concurrent breakout sessions focused on health equity, infectious disease and health services

REGISTER NOW!

Registration is \$35 per person (\$20 for trainees). Fee includes attendance at all scientific sessions.

Testimonials from past conferences

"I made several new connections with researchers across the Southeast that I can now contact to share ideas."

"I enjoyed engaging with leaders of other CTSA programs to share ideas, solutions/challenges"

"I made numerous connections who I will be working with for additional research."

"This conference led to connections with collaborators from colleges/universities outside of the Georgia CTSA."
