

**Now accepting applications for the  
Georgia CTSA TL1 (T32-like) TRAINING GRANT**

**CLINICAL AND TRANSLATIONAL RESEARCH TRAINING  
including the Master of Science in Clinical Research (MSCR) Program  
for Postdoctoral Trainees (resident and fellow physicians, PhD postdocs, PharmD residents)**

**REQUEST FOR APPLICATIONS and APPLICATION PREPARATION WORKSHOP**

**POSTDOC TL1 APPLICATION DEADLINE: MARCH 15, 2018**

Contact: Cheryl Sroka ([csroka@emory.edu](mailto:csroka@emory.edu)) or 404.727.5096

**Register for the free TL1 Application Workshop December 4, 2017, at 9:30 a.m. – see below**

The Georgia Clinical & Translational Science Alliance (Georgia CTSA), the NIH-supported Clinical and Translational Science Award [CTSA] **TL1 program** is focused on providing innovative didactic and mentored research training to individuals interested in careers that encompass clinical and/or translational research. The TL1 program supports didactic and mentored research training and provides an opportunity to complete the **Master of Science in Clinical Research (MSCR)** program (<http://www.actsi.org/training/ms-in-clinical-research/index.html>). The TL1 program supports predoctoral and **postdoctoral trainees** (e.g., resident and fellow physicians, PhD postdocs, PharmD residents).

Applicants admitted into the TL1 program receive the following:

- **Stipend:** Stipend support (one-year) based on the NIH/NRSA scale and postgraduate year.
- **Tuition:** Tuition support for the Emory or Morehouse School of Medicine **Master of Science in Clinical Research (MSCR)** program (MSCR coursework begins in late August 2018).
- **Travel:** A total of \$1,000 is provided to each TL1 awardee for travel to the National Translational Science Scientific Meeting in Washington, D.C. (April 2019) to present their research project and current findings.

**Georgia CTSA TL1 Program ELIGIBILITY:**

**Per NIH requirements, TL1 program applicants must be a U.S. citizen or permanent resident.**

**Postdoctoral TL1 program eligibility:**

- **Physicians in Training (residents and fellows):** Postdoctoral physicians, including senior residents and those in fellowship training programs at the Emory University School of Medicine, may apply to the TL1 program at any point in their postdoctoral (residency or fellowship) training.
- **Postdoctoral fellows with PhD, PharmD, or equivalent degrees:** PhD postdoctoral fellows and PharmD residents may apply at any point in their postdoctoral training.
- **Applicants must be from a Georgia CTSA Institution** (i.e., Emory, Georgia Tech, Morehouse School of Medicine, or University of Georgia College of Pharmacy)

**A TL1 application workshop will be held on December 4, 2017, from 9:30 -11:30 a.m. To register, e-mail Dr. Janet Gross ([js gros2@emory.edu](mailto:js gros2@emory.edu)) and Cheryl Sroka ([csroka@emory.edu](mailto:csroka@emory.edu)).** Include: name, position, department, school, title of research study (if known), and current CV or NIH Biosketch.

***Applicants to the TL1 program are highly encouraged but not required to attend this workshop.***

For more information on how to apply to the Georgia CTSA TL1 program and the application requirements, please see the program's website, <http://georgiactsa.org/training/tl1/index.html>. The Georgia CTSA TL1 program is supported by NIH NCATS grants (TL1 TR002382 and UL1 TR002378).
