Re: 2021 ADA Board of Directors

Last week, I shared the exciting news that our Board of Directors voted to streamline our structure and modernize our bylaws. Today, I'm honored to present to you the **2021 membership of the American Diabetes Association Board of Directors**.

The moving force behind the work of the American Diabetes Association is a network of more than 565,000 volunteers, a membership of more than 540,000 people with diabetes, their families and caregivers, a professional society of nearly 20,000 health care professionals, as well as more than 250 staff members. This cadre of professionals and volunteers are guided by a Board of Directors whose 2021 membership includes some of the nation's foremost experts in business, health, medicine, science and other fields vital to continuing the ADA's mission and helping people with diabetes thrive. Please see below for the complete list:
