

**Recruitment email:**

To: All Research Team Members (Investigators, Ras, etc.) team member,

You are invited to participate in the *Disability and Research (D<sup>2</sup>/R<sup>3</sup>)* study on research related to people with disabilities. D<sup>2</sup>/R<sup>3</sup> is testing two different educational modules. This fully online study is being conducted by the Einstein-Montefiore Institute for Clinical and Translational Research.

Participants will be randomized to complete one of two learning modules during a baseline session and complete short surveys before and after viewing the learning modules. That session will last approximately 1 hour. Participants will also be asked to complete a follow-up survey ~3 weeks later (15 minutes).

We are seeking **RESEARCH TEAM MEMBERS** who:

- Are Principal/Co-Investigators, Coordinators, Research Assistants, etc.
- Conduct or work on research on adults not focused on disabilities

Participants will receive \$50 for the baseline session and \$25 for the follow-up survey, payable as a gift card OR as a charitable donation.

Have questions or want to learn more? Please contact us!
