

Atlanta Workshop on Single-cell Omics 2023

AWSOM23

Join us for the 2nd annual Atlanta Workshop for Single-cell Omics (AWSOM) 2023 hosted by the Atlanta Single-cell Omics and Analytics Initiative (ASCOMAI).

This two-day workshop will highlight short talks in the areas of bioinformatics/single-cell analytics and experimental applications of single-cell technologies (e.g., scRNAseq, snATACseq, spatial transcriptomics) for biological, clinical, and translational research.

Call for Abstracts

Submission deadline is March 15, 2023

For more information, please visit
