

Bioentrepreneurship Networking—

September 19 — 4:30 – 6:00 p.m., HSRB-II, 6th floor, N600:

Emory University's School of Medicine is bringing another exciting ***Bioentrepreneurship Networking*** event, featuring the Associate Dean for Therapeutic Discovery and Development, **Dr. Haian Fu**. Recognized by *Winship Magazine* as a “game changer,” he will share lessons learned about his journey and the Emory Center for New Medicines. Don't miss out on this exciting chance to connect, converse, and collaborate. *Food will be provided* to attendees.

Please **RSVP** to attend the session on Thurs, Sept. 19th 4:30 – 6:00pm

Guest Speaker

Haian Fu, PhD
