

Join researchers and clinicians from across the Georgia CTSA for a session on **Traumatic Brain Injuries**.

Blue Sky Groups are unstructured meetings that provide a unique opportunity for attendees to drive the agenda and catalyze future collaborations and research opportunities.

The discussion will be opened by **Dr. Firas Kobaissy**, a leading researcher in the field of neurobiology. Discussion topics may include, but are not limited to:

- What are the burning issues in this area?
- What are the known funding opportunities?
- What are the cross-institutional collaborative research opportunities in this space?

Share your experience, learn from others, enjoy opportunities for interdisciplinary networking and find potential collaborators!

When:
December 9, 2026
12:30PM - 2:00PM

Where:
ZOOM
