

Join researchers and clinicians from across the Georgia CTSA for a session on **Exercise as Medicine**.

Blue Sky Groups are unstructured meetings that provide a unique opportunity for attendees to drive the agenda and catalyze future collaborations and research opportunities.

The discussion will be opened by Drs. Joe Nocera and R.L. Felipe Lobelo, leading researchers in this field. Discussion topics may include, but are not limited to:

- What are the burning issues in this area?
- What are the known funding opportunities?
- What are the cross-institutional collaborative research opportunities in this space?

Share your experience, learn from others, enjoy opportunities for interdisciplinary networking and find potential collaborators!

When:

May 9, 2023
1:00 - 2:30 PM

Where:
