blue sky groups

Join researchers and clinicians from across the Georgia CTSA for a session on **AI/ML in Clinical and Transitional Research.**

Blue Sky Groups are unstructured meetings that provide a unique opportunity for attendees to drive the agenda and catalyze future collaborations and research opportunities.

The discussion will be opened by Dr. Anant Madabhushi, a leading researcher in the field of artificial intelligence and machine learning. Discussion topics may include, but are not limited to:
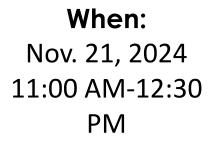

- What are the burning issues in this area?
- What are the known funding opportunities?
- What are the cross-institutional collaborative research opportunities in this space?

Share your experience, learn from others, enjoy opportunities for interdisciplinary networking and find potential collaborators!

When:
Nov. 21, 2024
11:00 AM-12:30 PM

Where:
ZOOM
(link in registration)

RSVP:
Go to
