

Happy Friday! We would like to highlight some exciting **Corporate & Foundation Funding Opportunities that are new or have upcoming deadlines.**

See more Corporate and Foundation Funding Opportunities at this [link](#), which is for **Emory faculty, researchers, and staff only** and can only be accessed through a [emory.edu](#) email address.

This resource is **not** intended for students or people outside of Emory. If there is an opportunity that's applicable for students, and you are interested in sharing it with them, please contact the Office of Corporate and Foundation Relations to coordinate.

If you are interested in pursuing an opportunity, **please contact the Office of Corporate and Foundation Relations** to coordinate. All emails will receive a response from the Relationship Manager or best suited team member within 1 business day.

Organization	Topic	Deadline	Eligibility	Funding Range	OCFR Contact
Pfizer Global Medical Grants	<a href="#">Transthyretin Cardiac Amyloidosis Fellowship</a>	<b>Deadline Extended</b> to 07/18/2022	Institutions with fellowship programs that include independent research and a strong mentoring program. Researchers who have already generated some amount of preliminary data, but are often required to demonstrate additional, significant progress before they can apply to governmental or industrial funding agencies.	Support one fellow for up to a year at \$80,000.	<a href="#">Gayathri Srinivasan</a>
BrightFocus Foundation	<a href="#">Postdoctoral Fellowship Awards-National Glaucoma Research Standard Awards</a>	10/25/2022	Young researchers in their final stages of mentored training. These awards fund projects in an established laboratory that will serve as the basis for the applicant's own independent research career.	\$200,000 over 2 years	<a href="#">Gayathri Srinivasan</a>
