

2020 - 2021 Team Science Skill Series

All sessions are virtual

Developing Trust and Psychological Safety

Presented by:

Jessica L. Wildman, PhD
Florida Institute of Technology

Friday, January 15th
12:00 p.m. to 1:30 p.m.

[Register!](#)

At the end of this session, participants will be able to:

- Define trust and psychological safety as they apply within work teams
- Identify examples of common behaviors that build trust, break trust, and restore trust in work teams
- Develop strategies to build and maintain trust over time in work teams

Registration is required for these workshops.
All ZOOM information will be provided after registration
