

## Community Engagement Program

# Grant Writing Academy Training for Community-Based Organizations

***Do you wish to develop or sharpen your grant writing skills?***

*Here is an Opportunity for You!*

FREE interactive virtual training in the grant writing process – Learn the elements of what makes a successful grant application and how to collaborate with academic partners.

**Who should participate?** Community members, community-based organizations, and others who want to develop health related research or program grant proposals.

**When:** Topics will be presented via Zoom over 4 -one-half day sessions.

**April 28, 2022 – 12 noon-5 PM**

**April 29, 2022 – 8:30 AM - 12:30 PM**

Topics include: What you should know about federal grant opportunities, finding data to support your ideas, writing effective goals and objectives, methods, budgets, and an introduction to potential academic partners.

**June 9, 2022 – 12 PM -5 PM**

**June 10, 2022 - 8:30 AM-12:30 PM**

Topics include: More on goals and objectives, how to develop logic models, project narratives, evaluations, and bioethical considerations.

**Registration:** *Please register using the links below by April 20, 2022. Spaces are limited.*
