

Community Engagement Program

Community Grant Writing Academy Training for Community-Based Organizations

Do you wish to develop or sharpen your grant writing skills?

Here is an Opportunity for You!

Intended Audience: Community members, Community-based organizations, and others who have a desire to develop health promotion and disease prevention research or demonstration projects. We will discuss ways to collaborate with academic partners and how to improve the outcome of your projects.

When/What Topics: FREE interactive virtual training in the grant writing process – Learn the elements of what makes a successful grant application. Topics will be presented over 2 -one-half day sessions.

Thursday, June 9, 2022 – 12 PM - 5 PM

Friday, June 10, 2022 – 8:30 AM - 12:30 PM

Goals and Objectives; How to Develop Logic Models and Conduct Evaluations; Bioethical Considerations; Checklist for grant preparation.

*Spaces are limited for this virtual training, so please register early. **You must register separately for each day you plan to attend.***

Registration: Please register by June 3rd, 2022.
