REGISTER NOW!

*Registration is required

Join us for this symposium featuring invited talks, selected oral abstracts and a panel on the evolving funding landscape in Health Services Research. Come network with researchers across Georgia and learn about ongoing quality, effectiveness, and value-based research activities.

Conference date:

Tuesday, April 21, 2026

7:30 am – 2:30 pm

Where:

**Rollins School of Public Health
Auditorium**

HEALTH SERVICES RESEARCH

Examines access to health care, how health care is organized and delivered, and outcomes and costs of health care services.

Join Georgia Clinical & Translational Science Alliance colleagues at this 12th annual health services research symposium and networking opportunity.

Oral and poster presentations will be selected from submitted abstracts.* Abstracts submitted to HSR Day can be submitted to other local, national, or international conferences. We welcome submissions from all students, staff, and faculty involved in **Health Services Research**.

Abstract limit is 1800 characters (250 – 300 words).

ABSTRACT TIMELINE

Abstract Submission Deadline: **February 16, 2026**

Abstract Acceptance Notice: **March 2026**
