

Applications for Lab2Launch are now open!

Are you looking for space to build or grow your startup?

Lab2Launch provides state-of-the-art laboratory infrastructure for innovative scientist-entrepreneurs to launch and grow new ventures and is strategically positioned within HSRB II at the heart of many Emory core facilities and the greater innovation ecosystem

We are now accepting applications for the next cohort of startups to take residence in 2025

Available spaces:

- Desks (\$125/month)
- Lab benches (\$325/month)
- Small private lab suites (\$1200/month)

*Lab spaces include use of shared equipment and cold storage
