RESEARCHER SURVIVAL SKILLS

2020 - 2021

Strategies for Preparing a Competitive Research Grant Submission

Wednesday, December 2 | 1 - 5 pm | via Zoom

Learn grant writing tips to improve the impact of your proposal, hear about how reviewers critique your science, and more! This workshop is hosted in collaboration with the Georgia CTSA.

Presented by:

Lawrence Boise, PhD (Professor, Hematology and Medical Oncology)

Anita Corbett, PhD (Professor, Biology)

Kathy Griendling, PhD (Professor, Medicine)

Gregory Lesinski, PhD, MPH (Associate Professor, Hematology and
Medical Oncology)
