

## CALL FOR ABSTRACTS

### 3rd Annual Workshop on *How to Incorporate Sex as a Biological Variable in Your Research*

Wednesday, December 7, 2021  
10:00 am to 3:00 pm EST  
*Via Zoom*

**SUBMISSION DEADLINE: 10/24/22**

The Emory Specialized Center of Research Excellence (SCORE) is **now accepting abstract submissions for the** December 7 workshop on “*How to Incorporate Sex as a Biological Variable in Your Research*”.

**One Basic / Pre-clinical Research abstract and one Clinical / Public Health Research abstract will be selected for oral presentations during the workshop.** Other selected abstracts will be invited to present in a Rapid Fire Poster Session during the Workshop.

Successful abstracts will describe research that is focused on sex as a biological variable; sex and gender differences; gender-based health disparities; and/or women's health research. Submitted abstracts may be recycled from previous conferences or presentations as long as those conferences/presentations were held on or after December 1, 2021.

**Abstract Guidelines:** Abstract content should not exceed **400 words**. Please use the attached template to format your abstract for submission (see next page).

#### **Important Dates:**

- **10/24/22:** Abstract submission deadline
- **11/7/22:** Abstract acceptance notifications
- **11/7/22:** Oral abstract decision notification

**Abstract Submission Portal:** <https://bit.ly/EmorySABV2022-Abstracts>

**Workshop Registration:** <https://bit.ly/EmorySABV2022-Registration>

**Questions:** Please email Dr. Shannon Walker at [shannon.walker@emory.edu](mailto:shannon.walker@emory.edu)

Main body of abstract  
not to exceed 400 words
