

Help us learn more about how COVID-19 spreads in households and how children are affected

During a one-hour study visit at the Emory Children's Center (2015 Uppergate Dr), every member of your household will give a saliva sample with an easy-to-use swab and complete short household and individual surveys. You will receive a \$50 e-gift card for participation.

Eligibility requirements:

- Live with children under the age of 18
- No one in your family has participated in a COVID-19 vaccine trial
- At least one person in your family had a symptomatic COVID-19-like illness in the past three months
