ABOUT US

The Southeast Regional Clinical & Translational Science Conference brings together over 300 cross-disciplinary researchers and clinicians from across the southeast region who present cutting-edge health-related preclinical, clinical, implementation, and population-based research with national impact. The intimate nature of this conference provides ample opportunity for meaningful engagement.

THE EVENT

LOCATION:

The Southeast Regional Conference is hosted at Callaway Gardens, a 2,500 acre Georgia woodland gardens, which invites you to take in the wonders of nature at your own pace.

REGISTRATION:

Registration includes attendance, meals, and entry to our Networking Banquet and Award Ceremony.

AGENDA

Day One | Noon – 6:30 p.m.

- Talks highlighting cutting edge discoveries and keynote presentation
- Networking and poster sessions showcasing clinical and translational science advances across the region
- Trainee professional development

Day Two | 7:30 a.m. – 8:00 p.m.

- Concurrent breakout sessions covering topics such as Rural Health, Community Engagement, Nutrition, Alternatives to animal models and more
- Networking and poster sessions
- Special interest sessions
- Celebratory banquet

Day Three | 7:30 a.m. – noon

- Featured talks and interactive sessions
- Time to enjoy the gardens while networking with colleagues
- Awards ceremony

SPONSORSHIP PACKAGE 2026

THANK YOU!

The Southeast Regional Conference provides a unique opportunity to researchers and clinicians throughout the Southeast. For many it is the only time of year where they have the chance to meet with their colleagues and build collaborative relationships and present the best new health-related preclinical, clinical, implementation, and public health research from across the region. We hope that you will join us in sharing your resources this March.
