

SOUTHEAST REGIONAL CLINICAL & TRANSLATIONAL SCIENCE CONFERENCE

Hosted by
 **Georgia CTSA**
Georgia Clinical & Translational Science Alliance

Save the Date!

March 4 – 5, 2021

Mark your calendar and plan to join us in 2021 as we bring together researchers from across the region to present the best new clinical and translational research and build collaborative partnerships.

Additional information, registration, and the call for abstracts will be announced in the coming months.

The 2021 Southeastern Regional Clinical and Translational Science Conference will be held virtually.

In collaboration with regional CTSA's :

South Carolina
Clinical & Translational
Research Institute
