# Apply to Present at the 2020 Georgia Bio Innovation Summit

## Company Showcase | Innovation Stage | PitchRound

The Bio Innovation Summit Program Committee invites all entrepreneurs and innovative scientists who want to share their innovations with leaders, investors, entrepreneurs and strategic partners attending the Summit. Companies in agriculture, bioenergy, biotech, diagnostics, digital health, healthcare, medical devices, pharmaceutical and other related industries are encouraged to apply and demonstrate the vibrancy of life science innovation in Georgia.

### Company Showcase

The Company Showcase is a unique opportunity where Georgia-based companies who are developing or have bioscience products will present their technology. This is the perfect way to increase visibility and attract potential strategic partners within the life science community. Present your company's story and objectives.

**Qualified Applicants: Established bioscience companies with initial investment, employees and/or revenue**

### Innovation Stage

Bring your dynamic, innovative product or novel idea that might improve patient care to the Innovation Stage. This platform provides an informative overview of a novel idea to improve health – coming from Georgia's best inventive minds.

**Qualified Applicants: Technologies not yet developed into companies or bioscience companies in early stage of formation (<2 years in business)**

### PitchRound

Advance your company's development and growth by presenting during PitchRound. A panel of judges consisting of investors, community partners, and industry leaders will select a 1<sup>st</sup> place prize of \$2,500 and a 2<sup>nd</sup> place prize of \$1,000.

**Qualified Applicants: Start-Ups, Seed Companies, or companies in Series A or beyond**

### How to Apply:

- Apply Online between September 11 and October 5
- Applications close Monday, October 5, 2020 at Midnight
- Application will be reviewed by selection committee
- Notification provided mid-October
- Selection provides free access to Summit
